U. S. Department of Agriculture

PRICE LIST 1936 . . . .

Under 10,000 square feet of glass, rare flowers are propagated and tiny seedlings are nursed into life in this great greenhouse, a part of Littlefield-Wyman Nurseries.

## *Planting Service*

We are well equipped to make Ornamental Plantings, and will gladly prepare plans and estimates or furnish advice relative to residence plantings, the laying out of Hardy and Annual Gardens, Rose Gardens, or the development of an estate. A preliminary conference may be had without charge or obligation within a radius of 30 miles of North Abington.

### **GUARANTEE**

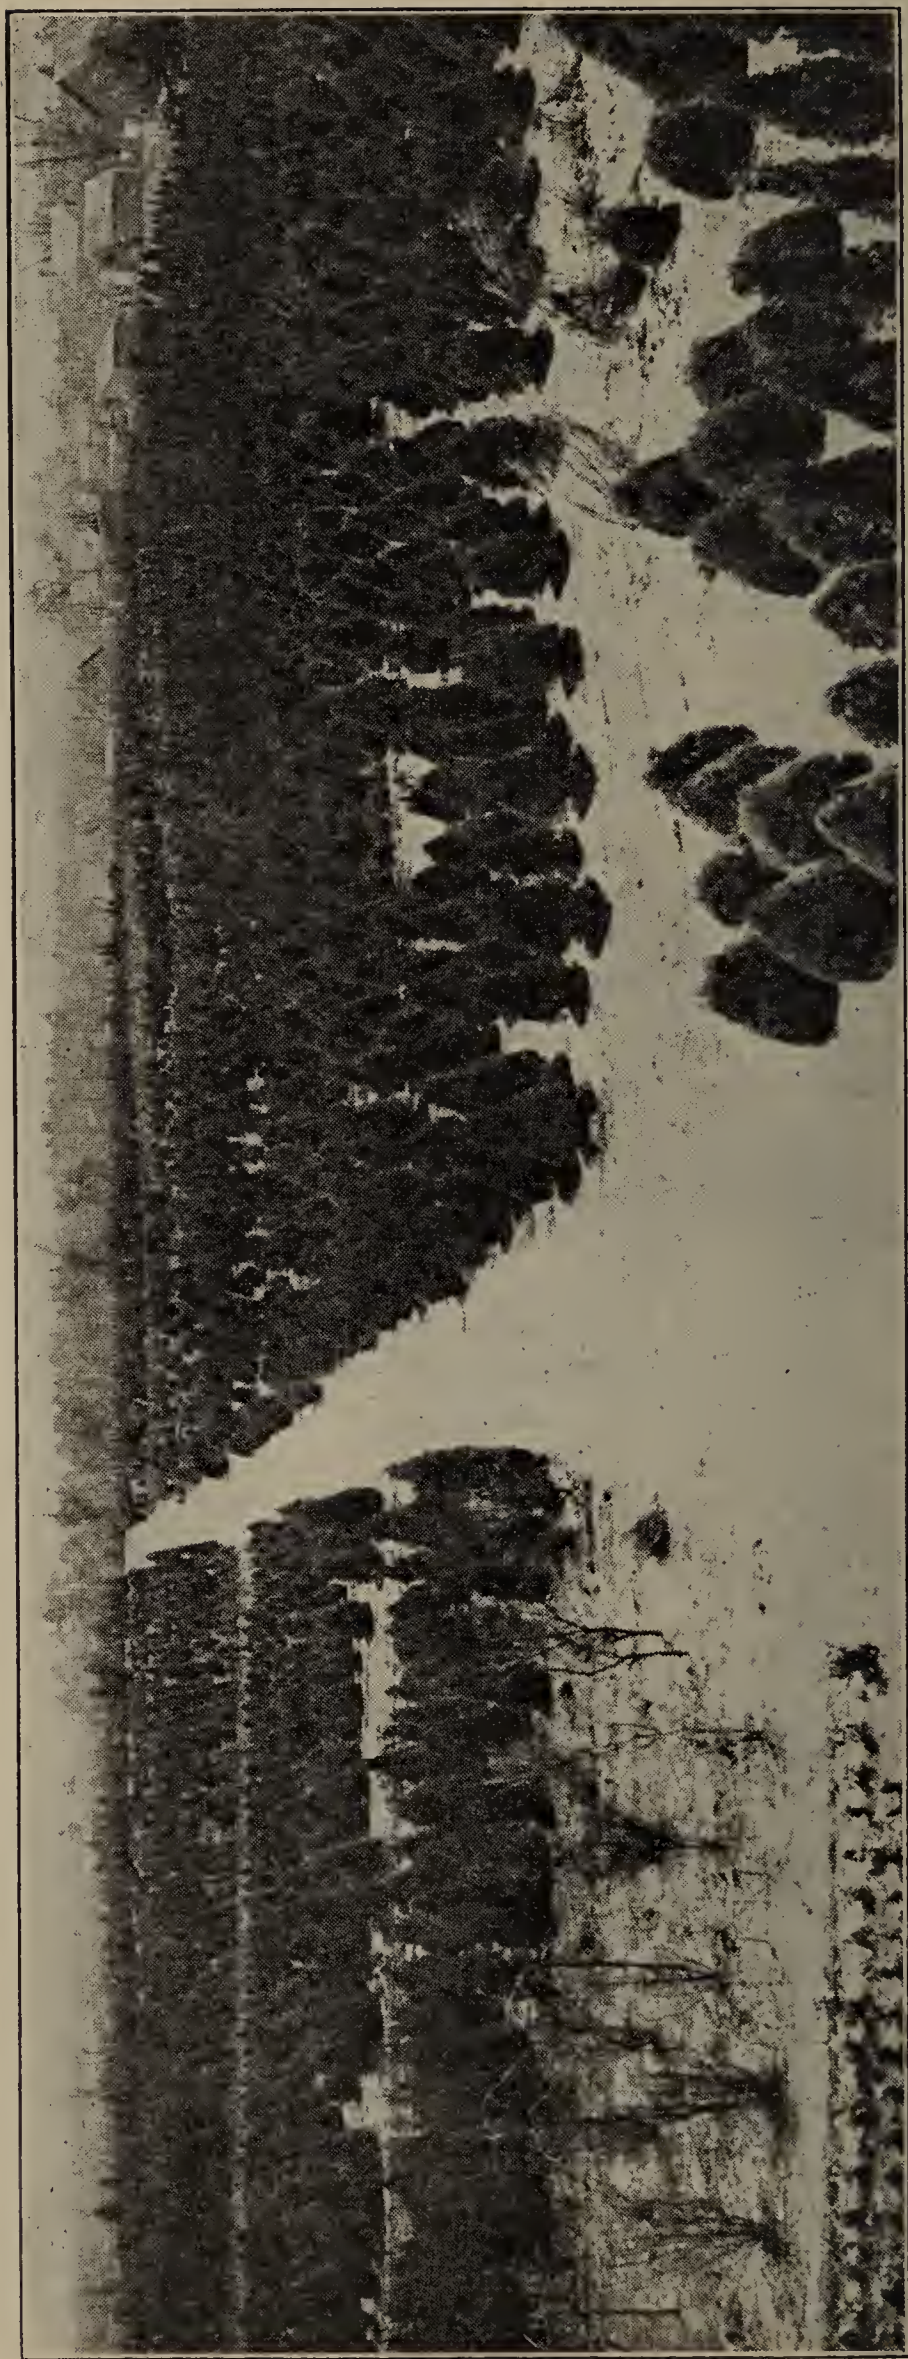

*We guarantee (1) That our stock is true to name. (2) That it is vigorous and healthy at time of shipment. (3) That it will successfully survive the transplanting period.*

*Upon proper proof, we will replace, F.O.B. our nurseries, any stock not meeting these three tests.*

Part of the Littlefield-Wyman organization. These workers, experienced in the handling of plants of all kinds, assure you the best of service on your planting job and maximum results from the trees, flowers and shrubs which they put in.

Part of one of our extensive fields of Evergreens

Evergreen Trees

GROWING fine evergreens is our specialty. Frequent transplanting, systematic scientific shearing, and careful fertilizing have produced broad compact specimens which must be seen to be fully appreciated.

**Before and After Planting**  
From desolation, this little house was transformed to a home within a fairy garden by means of plants and flowers.

## A Well-Planned Planting Means

Better appearance of course. Beauty achieved through simplicity and carefully selected plant materials.

Increased property value because of the more homelike appearance of the grounds.

Greater enjoyment from your home and grounds—useful grounds as well as beautiful—an outdoor living room—a sunny outdoor play-room for the children—a woodsy nook with fireplace—a croquet court—all with perfect privacy.

Guarantees opportunity to pursue one of the finest hobbies.

The "Outdoor Living Room"—a cool, secluded spot, comfortable and inviting to every member of the family and their guests.

Fifty acres of fine stock from which personal selection may be made if you wish.

## TESTIMONIALS

Here are a few unsolicited comments selected from among many letters sent in to us which express the pleasure and complete satisfaction of customers who have already sought our advice and have purchased their plant material from us.

Cambridge, Mass.

I want you to know how delighted my wife and I were with the garden which you planned and planted for us.

Cohasset, Mass.

I am more than pleased with the trees which you set out for me. The grove of pine and spruce is a joy. I expect to add to it in the spring.

North Abington, Mass.

The several hundred evergreens which you set on our premises have greatly improved the appearance of our property.

I want to express my appreciation of the artistic manner in which these were set out, and the courtesies you have shown us in attending to our work.

Boston, Mass.

I want you to know how pleased I am with the work that you have done for me. The shrubs, bushes and plants were good, and the workmanship was excellent.

Boston, Mass.

The work that you did on this matter and the shrubs furnished were all very satisfactory, and I am very well pleased with the appearance of both jobs.

Brockton, Mass.

In closing let me again thank you for your helpful suggestions, your personal attention, and the splendid judgment used in selections and plans. I want you to know that I am delighted with the work.

## Hardy Perennials

As the best effects are usually obtained by planting Perennials in groups of not less than three, we are offering them in that quantity, rather than singly. If only one plant is desired, the price will be one-third the rate for three.

Please note that five or more plants will be priced at the ten rate, and twenty-five or more at the one hundred rate.

Varieties marked with an asterisk (\*) are especially adapted for the Rock Garden.

Key to abbreviations used for color, height and period of bloom:

B-Blue, P-Pink, R-Red, W-White, Or-Orange, La-Lavender, Pu-Purple, Vi-Violet, Y-Yellow.

Five or more plants at price of 10 rate; 25 or more at 100 rate.

Ap-April, My-May, Jn-June, Ju-July, Au-August,  
Se-September, Oc-October.

Example:

*Achillea ptarmica*—W-2'-Au indicates white flower,  
grows two feet high and blooms in August.
